## **SPONSORSHIP PROPOSAL**

### **The Barbara Giordano Foundation**

The Barbara Giordano Foundation is a 501(c)3 nonprofit operating foundation providing programs and services directly to women veterans. The Foundation's vision is to be the foremost provider of a Women Veterans wellness network, affording women veterans opportunities to use their acquired skills and inherent dedication to better their own lives, those of their families, their communities and their country. To achieve that vision, we exist as a holistic resource center bringing together business, education, wellness and military community members to provide women veterans with opportunities for long-term economic independence, personal growth and personal empowerment.

### **Health and Wellness Summit for Women Veterans Goals**

Funds raised will offset the cost of the Health and Wellness Summit and will allow the Barbara Giordano Foundation to set up a reserve to provide additional direct services to women veterans in the form of child-care vouchers and counseling options.

### **Health and Wellness Summit Details**

The Health and Wellness Summit for Women Veterans is the first of two summits being held in 2018. 60 women veterans will attend the Health and Wellness summit free of charge. A program of workshops, holistic wellness modalities and healthy food will be provided. Topics to be addressed include:

- Transition from military to civilian life
- From WE to ME – self-identity after military service
- Techniques for coping with anxiety, depression, MST and PTSD – a special workshop on the use of Polarity Therapy for treatment of PTSD, anxiety and MST will be held
- Peer Counseling/Peer Groups – Woman Veteran to Woman Veterans
